**Re: United States v. Cynthia Jordan,
19 Cr. 478 (GHW)**

Dear Judge Woods:

On February 4, 2020, the Court sentenced Ms. Jordan to a term of imprisonment of one year and one day plus a term of supervised release of three years. The Court granted her request to surrender for service of that sentence on May 4, 2020. On three occasions, the Court extended the surrender date in light of concerns over the serious risks to Ms. Jordan's health due to the dangers associated with COVID-19. I now write to respectfully request a fourth extension of the surrender date currently scheduled for May 12, 2021, in light of a recent medical diagnosis that requires immediate and specialized treatment.

[REDACTED]

This critical level of care and treatment will not be available at a BOP facility and incarceration at this time will place Ms. Jordan's health at serious risk.

For the foregoing reasons, I respectfully request that the Court postpone Ms. Jordan's surrender date for 6 months.

Respectfully submitted,

/s/ Amy Gallicchio

SO ORDERED.
